

One-of-a-Kind Gifts

From: Arizona Correctional Industries webmaster@aci.az.gov

Inmates create art pieces from scrap materials

Dear Clark:

Working with scrap materials from ACI's wood, metal and license plate manufacturing facilities, the talented craftsman working at these shops create many high-quality [gift](#) and [promotional items](#).

If you're looking for fun, decorative pieces for your home, yard or vehicle or simply want to give a unique gift to that special someone, you can find it on the ACI website:

- [Wind chimes](#), [bird feeders](#), [bird houses](#), [purses](#) or [lamps](#) made of novelty license plates
- [Corn hole game sets](#) of various sizes and designs
- Colorful [lawn art](#) or [napkin holders](#) in various metal designs
- [Coaster](#) sets or [paper weights](#) with you logo or picture
- Novelty license plates in [copper](#), [aluminum](#), [sublimated](#) or [embossed](#), that can be made into wall plaques or clocks
- [Wood engraved plaques](#) in a wide variety of shapes and sizes
- Hand-crafted wooden [jewelry boxes](#) that look like one-of-a-kind art pieces

Variety of lamps made of license plates

These fun and affordable items make the perfect gift or truly unique way to promote your company or brand.

Thanks for doing business with us.

Best,

ACI Sales Team
